EADERSHÎP CLAYT IN

Class of 2020-2021

WHY?

CLASS PROJECT HISTORY

After hearing from several county leaders during multiple sessions, our class identified three potential projects and broke into groups to further investigate.

Groups presented to the class and decided on one project we felt needed the most attention in our local community.

Class began to dig deeper to develop a strategy to bring awareness and support to mental health services in Clayton County.

FACTS ABOUT MENTAL HEALTH AND ILLNESS IN GEORGIA

Over 2.3 million people live with mental illness in Georgia

More than 17% of Georgia adults and 10% of youth suffer with behavioral health issues.

FACTS ABOUT MENTAL HEALTH AND ILLNESS IN GEORGIA

 Georgia ranks 47 out of 50 states for access to mental health care, resources and insurance.

In the state of Georgia, an individual with a serious mental illness has a 1 in 5 chance of going to prison instead of the hospital.

CLAYTON COUNTY MENTAL HEALTH AND WELLNESS PROJECT

WHAT?

PURPOSE OF PROJECT

To educate and bring awareness to community about mental heath services available in and around Clayton County

CREATE RESOURCEFUL WEBSITE

Enhance ONEClayton website (originally created by the 2017/2018 Leadership Clayton class) to include additional links to all mental health resources in Clayton County and surrounding areas

 Worked with Clayton County Public Library staff to refresh website, the software used to create the site and change the domain to <u>www.ONEClayton.org</u>

ONEClayton

ONEClayton Community Resource Guide for Human Services and At-Risk Families connects residents to

resources that support a healthy, successful life.
